

**Are you a student nurse  
looking to gain first-hand  
experience while earning  
an income?**

# At MBI Social Care, we are now recruiting student nurses for nursing placements and for paid bank work in care assistant roles.

---

You will gain invaluable on-the-ground experience working in a care setting with a range of clients presenting with complex conditions, dementias, palliative and end-of-life needs.

Our locations are highly desirable places to work, with the latest in modern technologies and furnishings, and a culture that is forward-thinking, inclusive and empowering. When you work alongside our team, residents and their families, you will invest not only in your career, but in people's lives.

**Looking to build a substantial portfolio leading to future career prospects? We offer:**

- ✔ Supportive student placements
- ✔ Paid bank work in care roles (weekends, holidays etc.)
- ✔ First-hand experience in a safe and protected environment
- ✔ Ongoing professional development, training and support
- ✔ Opportunity to develop your career portfolio
- ✔ Experience in a community setting using medical equipment
- ✔ Attractive, contemporary working environments
- ✔ Potential future employment with us after graduation
- ✔ Enhanced pay for bank holidays
- ✔ Mileage contribution
